

## BE CONTENT IN ALL CIRCUMSTANCES

"Declaring War" to always be found in this state - no matter what happens.

*NO MATTER WHAT BAD HAPPENS*, I am going to *CHOOSE* to be at peace and *CHOOSE* to be content in all circumstances.

. . . in a bad car wreck, come down with a bad sickness or injury or disease, financial ruin, death of a loved one, job loss, everybody hates me, etc. Why? Because all the magnificent eternal benefits we possess grossly outweigh this event - from heaven's perspective. (We are a child of God, our place in Heaven is reserved, God Likes and Loves Us, God Enjoys Us (most of us), we are being changed into His image, God truly cares about us, we are forgiven of our sins & and the weight of them lifted off of us, etc.)
